ANNUAL REPORT

(2021-22)

**“Education is the passport to the future,
For tomorrow belongs to those who
Prepare for it TODAY”**

“The Youth of today are the leaders of Tomorrow”

At Tejaswi Public School- we strive for excellence with sincerity of purpose, independence of thought & action among our children and developing sensitivity to other's well being and feelings.

The pandemic has been a great teacher, it has opened up a whole new world of experiments, re-imaginings, inspirations, creations and innovations. The year 2020 will be always remembered as the year of Educational revolutions. The outbreak of covid-19 has come with its learning's.

Academics

“Change is inevitable”

The educators ensured that learning was delivered in the best ways possible. From the regular academic session to co-curricular activities, project based learning, online workshops, online assessments and many more methods were adapted. The online learning was well designed. The educators integrated technology seamlessly into the curriculum and online teaching and learning became the new big thing.

Amidst the pandemic, references of books were given to make books and contents accessible to learners. The digital content helping readers, read a variety of books as per their choices and interests. Education saw rapid technological adaption in the wake of the global pandemic. Our Institution proudly embraced, adopted and evolved in the interactive, application based,

creative use of the apps to inspire students' attention and spark their imaginations. Thus making learning was done beyond four walls not only in the school but in their homes also.

Academic is the core focus of our school. All possible efforts have been taken to ensure academic excellence in our school as we believe that excellence in academics is the hall mark of our school as a good institution.

We are proud to report that 2021-22 batch of X std students brought laurels to the school by their excellent results. We achieved 100 % results in Class X CBSE examination. In this batch 55 students appeared for the X board examination. Six students had secured above 90% and 25 students had secured above 80%. We hope for the best result in the upcoming year also.

This was possible because of the continuous efforts of the dedicated staff, taking extra classes and other remedial measures to improve the children.

ENRICHMENT PROGRAMS FOR STUDENTS AND TEACHERS

Workshops and seminars encourages new ideas and facilitates innovation, experimentation, knowledge, skills and personality development. A number of enrichment programme for students and teachers were organised in our school.

SMART CLASSES

Keeping in view the INTERNATIONAL standards in education, the child's academic performance was measured in a series of Periodical and Terminal examination with a lot of emphasis on learning through the CBSE standards.

Bridge sessions were designed for different subjects to bridge the gap in academic content for better clarity of concepts and in understanding for the learners.

Professional development of the teachers is an on-going programme at our school to keep them updated with the latest technology and the new education policy in their respective fields. Teachers were assigned to attend various training programmes and workshops. Smart Teacher training programme was conducted for all our teachers to improve their skills.

The school invests heavily into the professional development of teachers and we assure that all this update gets translated into more effective and better teaching-learning in the class room. Science Talent test was done in online for all the classes by our teachers.

Emphasis is laid not only on academic well being of students but also the holistic well being. During these testing times, we conducted the yoga session and counselling sessions to help parents and students to maintain good health and de-stress in themselves.

Life skills themes such as “Health and Hygiene” “Mindfulness” “Managing emotions” “Healthy Peer Relationships’ and “Time management were taught. Innovative, reflective, creative and collaborative methodologies were followed in teaching the subject to the children in weekly sessions.

**“I hear I forget“
I see and I remember ,
I do and I understand”**

Cognitive way of teaching advocates a worthwhile, experience for the children. Children were taken for field trips to Kakatiya Zoo park, and Regional Science Center, Fort Warangal to get wider knowledge in their subjects.

Subject oriented weeks, around English, Mathematics, Environmental studies, Social Studies, Languages were provided to our learners to learn them with fullest interest and concentration.

“Education is not the learning of facts, but the training of the mind to think”

- Albert Einstein

Art-integrated teaching in class rooms engaged our students’ mind, heart and body. It helps them to have communication, creativity, critical thinking, collaborative learning for the deeper understanding of the concepts.

FUNCTIONS | EVENTS

“If the mind is intensely eager, everything can be accomplished – mountains can be crumbled into atoms.” - Swami Vivekananda

A number of activities and functions were organised throughout the year to ensure a better personality development among students as we believe that each child is unique and possesses inherent potential.

The school organised a plethora of other activities such as Investiture ceremony, Independence and Republic Day Celebrations, Teachers Day and Children’s Day celebrations, Christmas, Adieu to Class X etc.

Hindi Diwas Day (the National Language Day) was celebrated in our school. On that day we organised a special assembly with lots of recreational activities. At this day speech recitation , Hindi poem recitation, recitation of Kabir Das ke Dohey, Rahim ke Dohey, Tulsi Das ke Dohey, songs singing, dance, general knowledge quiz competition in Hindi, slogan writing etc., was done by the students of various classes. A very old and famous Hindi. Hymn (“Ai Malik Tere Bande Hum”) was sung by the students in Group. The theme of “Hindi Meri Pehchan” and “ Ekta Ka Sutra Hindi” was followed in the contests. It helped students to explore their Hindi language with different hues and flavors.

International Yoga Day was celebrated by students of Tejaswi with great ardour. “Yoga is the journey of the self, through the self, to the self” The important of Yoga in our life was explain to our students.

Environment Day was celebrated and importance of keeping the hygiene world environment was emphasized in various activities like Quiz, Green Campaign Day under the guidance of our teachers.

Children's Day was celebrated in our school. The students had a gala time with the online song and dance programme to make them in high spirits.

Teacher's Day was celebrated by our school management members. They facilitated each teacher community and honour them with shield and gifts for their selfless service to the community.

Sports:

Apart from excelling in academics and their projects, it gives us immense pleasure that our students have also been very active in the field of co-curricular activities. In addition to this, the students of the school were also active in sports. Kabadi, Kho-Kho, Volley Ball, Badminton, Tennikoit games training were given to our school children. Chess, Carrom and recreational games were also given as internal games to our children.

Our students also did success and made us proud in the sports Arena. Chaitanya Varshith of IX secured 1st place in Badminton and won Gold medal, Bhoga Siddarth of IV std won the silver medal in Karate. Aryan Raj of V std got Goldmedal in Karate.

FULFILLING OUR SOCIAL RESPONSIBILITY – WE LEARN TO SERVE

“The best way to find yourself is to lose yourself in the service of others”

- Mahatma Gandhi

The team members of the school are guiding the children to realize the importance of sharing and helping . Our students engaged in the Covid Awareness Camp, and helped the victims of Covid families for their life sustenance. Distribution of healthy food items, Grocery , fruits, Bread , hygiene items , washing soaps, clothes given to the old age and orphanage home by our students.

CONCLUSION:

Our aim is to be the best school in the community it serves, known and widely acknowledge as a secular institution which develops character and ethical leadership in its students in their pursuit of excellence.

Our school students will be recognised as a model for excellence in academics, art and culture, and sports. Each student will demonstrate a spirit of respect, responsibility and a commitment to academic and civic excellence.

We thank the Almighty God for all the blessings bestowed upon us year after year, especially during the academic year 2021-22.
